Update on the Issues

- **Annual General Meeting:** The LRNA's AGM was held on June 25. There was a good turnout. Attendees were able to ask questions of our guests, Maureen Gaehring and Mayor Tarleck. Attendees inquired specifically about the Civic Field and 6th Avenue traffic flow.
- **Kiwanis Park:** The City has replaced the play structure in Kiwanis Park. There is now a safe and modern play area. See you at the park!
- **City Circle:** Thank you to everyone who participated in the London Road Neighbourhood City Circle, on Facebook and face-to-face. Your ideas have been presented at the Ideas Fair and submitted to the City to make Lethbridge and London Road Neighbourhood even better! The **report and other documents** can be viewed at <http://www.londonroad.org/events.htm>.

Established in 1974, the London Road Neighborhood Association is a non-profit association dedicated to maintaining the qualities of the historical London Road neighbourhood that make it one of the finest communities in the City. We work closely with the City and provide considered opinion to changes that may affect and enhance the quality of residency within the London Road Area. The Association is a volunteer organization comprised of area residents who work together to improve and maintain the quality of life in our neighbourhood. The Board of Directors is comprised of informed and caring individuals who, through the organization, strive to meet the following objectives:

(1) To monitor and make recommendations on neighbourhood issues; (2) To maintain the unique and historic residential character of the neighbourhood; (3) To encourage enhancement and restoration projects; (4) To promote appropriate activities to enhance the safety of the neighbourhood; and, (5) To work with the City of Lethbridge on development issues within the guidelines of the London Road Neighbourhood Area Redevelopment Plan.
