

A Message from the President

As the newly elected President and past vice president of the Association, I have enjoyed the past year and would like to thank the enthusiastic members of the Board of Directors that have worked so hard to make this year successful .

The following is a quick recap of the many events and initiatives that the Board of the LRNA has participated over the past year:

Directors participated in several City of Lethbridge initiatives and provided stakeholder input into the Central Neighbourhood Study and the Heart of the City Master Plan. Directors also rang in the Christmas Season at the Bright Lights Festival in Downtown Lethbridge hosting a table and poured more than 600 cups of hot chocolate! The Board successfully organized the Second Annual Christmas at Annandale Home Tours as a fundraiser (a special thank you to the Bland Family for generously allowing their home to be shared at Christmas time). The Board commented on several new developments within the London Road Area and has begun a review of the mission and vision of the organization and is exploring the option of moving towards a Charitable Organization Status.

Just as a reminder to area residents, the London Road Neighbourhood Association is a volunteer organization of area residents who work together to improve and maintain the quality of life in our neighbourhood. The Board of Directors is comprised of a group of informed and caring individuals who through the organization attempt to meet the following objectives:

- To monitor and make recommendations on neighbourhood issues;
- To maintain the unique and historic residential character of the neighbourhood;
- To encourage enhancement and restoration projects;
- To promote appropriate activities to enhance the safety of the neighbourhood; and
- To work with the City of Lethbridge on development issues within the guidelines of the London Road Neighbourhood Area Redevelopment Plan.

I hope to see you at the Annual General Meeting...
have a safe and enjoyable summer!
